

# Colorado CPR & Safety Pros' Nurse Consultants

Hi there, thank you for your interest in our Child Care Health Consulting Services. You will find we offer more convenient services than any other Nurses. Plus, we are really easy to work with and loads of fun!

## Who we are?

Bryan Maki, RN is a Pediatric ICU Nurse, Emergency Room Nurse, and a former Clinical Consultant for the Pharmaceutical and Medical Device Industries. He is now using his skills to provide CPR classes and Child Care Nurse Consulting.

We are passionate about keeping children healthy and safe.

We are the preferred company for many Colorado Child Care Associations, Early Childhood Education Councils, and School Districts. Our Child Care Health Consultants are approved by Healthy Child Care Colorado.

## Why choose us?

**1. We are the only company that offers everything below during our monthly visits. Save money by not paying employees overtime to attend classes outside of work.**

- Nurse Consulting - All In-Person visits or occasional virtual visits.
- CPR & First Aid cert. - A 20-minute skills class (preceded by our online course).
- Employee Medical/Physical Statements which meet licensing requirements.
- Medication Admin Part 2 (Skills) and Part 3 (Delegation).
- Delegation for seizures, diabetes, oxygen, feeding tubes, etc.

**2. Our prices (as of 1/18/23) are fair market and way below larger companies who charge up to 179 per month or more.**

- Nurse Consulting - In person \$109 per hour/visit + \$5-15 for mileage.
- Nurse Consulting - Virtual visits (ZOOM) \$69 per session.
- CPR/AED & First Aid, Medication Admin, Medical Statements, tba.

**3. We promptly return messages, we are eager to help, and easy to work with. We are not the Type-A demanding and controlling type Nurses.**

**Thank you and God bless, Bryan**
